e. Location of the Collateral. Borrower will hangar or keep the Collateral and complete logs, manuals, books and records concerning the Collateral at the Home Airport noted above and make them available upon request of the secured party.

Aircraft Security Agreement Salem Five 9/17/2007

FILED WITH FAA AIRCRAFT REGISTRATION ST 2010 JUN 2 PM IS 23 OKLAHOMA CITY AMOHAJONA Borrower of all or substantially all of its assets to, or acquisition by Borrower of all or substantially all of the assets of, any other entity; or (4) change in any other aspect of Borrower that directly or indirectly relates to any agreements between Borrower and Lender, including any material adverse change in Borrower's financial status.

i. **Maintenance.** Borrower, through its active oversight and at its sole expense, shall keep the Collateral in as good condition and repair as it is on the date of this Agreement, ordinary wear and tear excepted, and maintain and keep the Aircraft and Engines in good order and repair and in airworthy condition in accordance with the requirements of the FAA and each of the manufacturers' manuals and mandatory service bulletins.

j. **Compliance with Governmental Requirements.** Borrower shall comply promptly with all laws, ordinances and regulations of the FAA and all other governmental authorities applicable to the use, operation, maintenance, overhauling or condition of the Collateral. Borrower shall cause the Aircraft to be operated at all times only by a currently certified pilot having the minimum total pilot hours and pilot-in-command hours required by FAA rules or regulations and applicable insurance policies.

k. Maintenance of Insurance. Borrower shall procure and maintain, at all times, all-risks insurance on the Collateral, including without limitation, ground, taxiing and in flight coverage, loss, damage, destruction, fire, theft, liability and hull insurance and such other insurance as Lender may require with respect to the Collateral, in form, amounts, coverages and basis reasonably acceptable to Lender and issued by a company or companies reasonably acceptable to Lender. Lender's minimum requirements for insurance, subject to modification at Lender's reasonable discretion, include: (1) Borrower must be either the named insured or additional named insured on the policy; (2) the policy must contain a breach of warranty endorsement in favor of Lender; (3) Lender (or its assignee) must be named as lienholder and sole loss payee; (4) the Collateral must be insured against loss and damage for its full insurance value; (5) the policy must include territorial limits for all anticipated areas of operations; (6) if the Aircraft is to be operated in charter operation and Lender has consented to such use, the policy must include coverage for charter operation; (7) the policy must provide for thirty (30) days notification to Lender prior to amendment, termination or nonrenewal of coverage. War risk insurance coverage must be obtained if the Aircraft is to operate outside the United States. Borrower shall not use or permit the Collateral to be used in any manner contrary to the requirements of any insurance policy, or for any purpose excepted or excluded from the insurance policy.

1. Application of Insurance Proceeds. Borrower shall promptly (not to exceed ten (10) days) notify Lender of any loss or damage to the Collateral in excess of two percent (2%) of the principal amount of the Indebtedness. Borrower shall complete a full restoration and repair of the Collateral within 90 days of any loss or damage to the Collateral. If an Event of Default has occurred or is continuing, Lender shall be entitled to apply the insurance proceeds to the payment of the Indebtedness at Lender's sole discretion. If no Event of Default has occurred or is continuing, the insurance proceeds shall be disbursed to Borrower if Borrower provides documentation that, in Lender's sole discretion, is satisfactory to evidence the Aircraft is being, or has been, repaired to an acceptable valuation and will be returned to service in airworthy condition. If Lender determines, in its sole discretion, that after making repairs the outstanding Indebtedness will exceed the Aircraft value the Lender in its sole discretion may apply such insurance proceeds to the payment of the Indebtedness.

m. Notice of Encumbrances. Borrower shall immediately notify Lender upon the Collateral being seized or the filing of any attachment, lien, judicial process, or claim relating to the Collateral.

n. Notices of Claims and Litigation. Borrower will promptly inform Lender of (1) all material adverse changes in

Borrower's financial condition, (2) all existing and all threatened litigation, claims, investigations, administrative proceedings or similar actions affecting or concerning in any manner the Collateral, or concerning in any manner the Borrower or any Guarantor.

o. Inspection. Borrower shall permit employees or agents of Lender at any reasonable time to inspect any and all Collateral including the aircraft and its logs, books, manuals and any other records comprising or related to the Collateral. Borrower by execution of this Agreement authorizes any third party in possession of these documents to permit Lender free access (either in paper form or on-line via the internet) to such records at all reasonable times and to provide Lender with copies of any records it may request, all at Borrower's expense. Borrower shall not block Lender from access to electronic flight-tracking services relating to the Aircraft's operation.

p. Additional Assurances. Borrower will make, execute and deliver to Lender such instruments, documents and other writings as Lender may reasonably request to evidence and secure the Note and/or the Indebtedness.

3. **PROHIBITIONS REGARDING COLLATERAL.** Borrower covenants to Lender as follows:

a. No Sale, etc. of Collateral. Without the prior written consent by Lender, (i) Borrower shall not sell, offer to sell, or otherwise transfer or dispose of the Collateral, and (ii) Borrower shall not lease, pledge, mortgage, encumber or otherwise permit the Collateral to be subject to any lien, security interest, encumbrance, or charge, other than the security interest provided for in this Agreement.

b. No Commercial Use. Borrower shall use the Collateral solely for business or personal purposes. Borrower shall not use the Collateral, or permit the Collateral to be used, in Commercial Operations (i.e., Part 135, 121, Flight Training Part 141 or 61 operations) unless permitted as so indicated above.

c. **Removal of the Collateral.** Except for routine use, Borrower shall not change the Home Airport or remove the Collateral from the Home Airport without Lender's prior written consent. Borrower shall, whenever requested, advise Lender of the exact location of the Collateral. Borrower shall not base, or permit the Collateral to be based, outside the continental United States of America.

d. No Removal of Parts. Except as permitted or required in the section of this Agreement titled "Maintenance" Borrower shall not remove or permit the removal of any parts, engines, accessories, avionics or equipment from the Aircraft.

e. **Modifications.** Borrower shall not, without the prior written consent of Lender, modify the Aircraft in any material way, including but not limited to, the Aircraft's function or operating capability.

4. **BORROWER'S RIGHT TO POSSESSION.** Until an Event of Default, Borrower shall have the possession and beneficial use of the Collateral and may use it in any lawful manner not inconsistent with this Agreement.

5. LENDER'S EXPENDITURES. Borrower shall pay to Lender, or if requested by Lender, directly to the applicable vendor or other third party, any fees, costs, expenses, penalties or interest incurred by Lender in connection with this Agreement, the Note or any of the Collateral, including without limitation, fees, costs or expense of: (i) filing, registering or recording this Agreement and Lender's interests under this Agreement, or any UCC financing, continuation or termination statement or similar official filings or registrations, (ii) any transfer or stamp taxes, (iii) inspection, appraisal or monitoring of the Collateral as Lender may conduct for itself or obtain from a third party in its discretion, (iv) exercising its rights herein or under applicable law to protect its interest in the Collateral by performing obligations of Borrower in the event .

. .

.

Borrower fails to timely perform same, (v) taking possession of, holding, preparing for sale or other disposition and selling or otherwise disposing of the Collateral, and (vi) all attorneys' and other professionals retained by Lender in connection with any of the foregoing, or any exercise of other remedies upon occurrence of a default, whether such fees, costs or expenses are incurred before or after commencement of any bankruptcy case or other insolvency proceeding. All of the foregoing fees, costs or expenses thus incurred or expended by Lender, and any other monies paid by Lender to collect Borrower's obligations under the Note or protect its interests in the Collateral shall, at Lender's option, for each instance of fees, cost or expense so incurred or paid by Lender, either be added to the balance of the Note (and be subject to all of the provisions of this Agreement) or be paid immediately by Borrower upon demand by Lender, with interest accruing on the amount so demanded at the applicable Note interest rate.

6. **DEFAULT.** Each of the following shall constitute an Event of Default under this Agreement:

a. Note Default. Borrower fails to make any payment when due under this Agreement, the Note, any addendum, schedule or other separate document that, by its terms, is made a part hereof, or under any other agreement between Borrower and Lender;

b. Other Debt Default. Borrower fails to make payment when due or otherwise fails to perform under any agreement for borrowed money, or any obligation of Borrower for borrowed money is declared due and payable before its original maturity date;

c. **Performance Default**. Borrower or any guarantor fails to perform any obligation under this Agreement, any guaranty or any other agreement with Lender, provided, however, that, to the extent any such obligation, other than a payment or insurance obligation, can still be performed, such failure continues for more than ten (10) business days after delivery by Lender of a written demand to perform;

d. Other Breaches. Any representation or warranty made by Borrower or any guarantor in this Agreement in any material respect appears to the Lender to be untrue when made, or subsequently becomes no longer true (except for representations and warranties that become untrue solely due to the passage of time);

e. **Insolvency**. Borrower, or any guarantor of Borrower's obligations to Lender, dies, dissolves, merges with another entity, suspends or terminates his/her/its usual business, is unable to pay his/her/its debts as they become due, makes an assignment for the benefit of creditors, applies to any court for the appointment of a trustee or a receiver of all or a substantial part of his/her/its assets or commences any proceeding under any bankruptcy, receivership, insolvency, dissolution or liquidation law of any jurisdiction, or any other individual or entity commences such proceedings against Borrower or any such guarantor and Borrower or such guarantor acquiescence thereto, or denies liability to Lender or seeks to terminate any agreement with Lender;

f. **Insecurity**. Lender, in good faith, believes that the prospect of payment and performance hereunder has substantially diminished or that there is a material adverse change in the financial condition or operations of Borrower or any guarantor;

g. Change in Control. Borrower's principals as of the inception of this Agreement no longer control or operate the business of Borrower.

h. **Defective Collateralization.** This Agreement or the Note ceases to be in full force and effect (including failure of any collateral document to create a valid and perfected first position security interest or lien) at any time and for any reason.

7. **RIGHTS AND REMEDIES ON DEFAULT.** Upon the occurrence of any of the foregoing Events of Default and at any time thereafter that any Event of Default is continuing, Lender may do any

or all of the following, cumulatively: (i) declare all or any part of the remaining unpaid indebtedness of Borrower to Lender to be immediately due and payable, together with all unpaid interest and any other accrued and unpaid monetary obligations of Borrower hereunder; and (ii) exercise all rights and remedies provided in this Agreement, under the Uniform Commercial Code as in effect in all pertinent jurisdictions and under any other applicable law, including without limitation, the right (a) to setoff any property of Borrower in the possession or control of Lender, and (b) in Lender's sole discretion, to undertake payment or other performance of any obligation of Borrower hereunder that Borrower has failed to perform. Except as may be prohibited by applicable law, all of Lender's rights and remedies, whether evidenced by this Agreement, the Related Documents, or by any other writing, shall be cumulative and may be exercised singularly or concurrently. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Borrower under this Agreement, after Borrower's failure to perform, shall not affect Lender's right to declare a default and exercise its remedies. In connection with any sale or other disposition of the Collateral by Lender, the requirements of reasonable notice shall be met if such notice is given to Borrower and any guarantors at least ten (10) days before the date of any public sale or the date after which any private sale or other disposition of Collateral is to be made.

8. INDEMNIFICATION OF LENDER. Borrower agrees to indemnify, to defend and to save and hold Lender harmless from any and all claims, suits, obligations, damages, losses, costs and expenses (including, without limitation, Lender's reasonable attorneys' fees), demands, liabilities, penalties, fines and forfeitures of any nature whatsoever that may be asserted against or incurred by Lender, its officers, directors, employees, and agents arising out of, relating to, or in any manner occasioned by this Agreement and the exercise of the rights and remedies granted Lender under this Agreement.

9. MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Agreement:

a. Amendments. This Agreement (which includes the Note and all addenda, schedules or other separate documents that, by their terms, are made a part hereof) constitutes the entire agreement between Borrower and Lender. Lender may by written notice to Borrower correct any error or complete any blank space necessary to cause this Agreement to be accurate and effective. Except to the extent provided otherwise herein, this Agreement can be modified or amended only by a written document signed by both Borrower and Lender. Borrower hereby authorizes and ratifies any prior filing of a financing statement by Lender, and appoints Lender as its attorney-in-fact to affix Borrower's signature to any form relating to the Collateral and to any Uniform Commercial Code financing statement(s), to take any other action Lender deems necessary to perfect and maintain perfection of the security interests provided herein or as may be required hereby and to do all other acts and things necessary to carry out the intent of this Agreement. Borrower further appoints Lender as Borrower's attorney-in-fact for Borrower and in its name, place and stead (i) to endorse the name of Borrower to instruments and documents for purposes of collection or expedition, (ii) in obtaining payment, adjusting, canceling or settling any claims upon or under any insurance policies covering the Collateral, and hereby authorizes Lender to endorse the name of Borrower on any checks, drafts or other instruments received or given in payment or liquidation of any claim under any such insurance policy, and (iii) to perform each and every act Lender deems necessary in connection with this power of attorney. Borrower further authorizes Lender to execute a power-of-attorney form in Borrower's name if and to the extent necessary or convenient to confirm the foregoing grant of authority. The foregoing powers of attorney are coupled with interests in the underlying subject matter and are therefore irrevocable. Lender may assign this Agreement at

,

any time. Borrower may not assign its rights or delegate its duties under this Agreement without the express prior written consent of Lender.

Governing Law and Jurisdiction. This Aircraft Security b. Agreement has been delivered to Lender and accepted by Lender in the Commonwealth of Massachusetts. The Note, this Aircraft Security Agreement, and all related documents will be governed by, construed and enforced in accordance with federal laws and the laws of the Commonwealth of Massachusetts. If there is a lawsuit, Borrower consents to the jurisdiction of Massachusetts-located state and federal courts.

Notices. Any notice required to be given under the Note, c. the Related Documents, or this Agreement shall be given in writing, and shall be effective when actually delivered, when actually received by fax (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, as first class, certified or registered mail postage prepaid, directed to the addresses shown near the beginning of this Agreement. Any notice given by Lender to any Borrower is deemed to be notice given to all guarantors and Borrowers.

d. Severability. If any part of this Agreement is determined to be contrary to any law or otherwise defective, then the other provisions of this Agreement shall not be affected thereby, but shall continue in full force and effect.

No Waiver by Lender. Borrower's obligation to repay the Note and all other obligations of Borrower hereunder are independent of the obligation of any other individual or entity that has signed this Agreement or other documents as a Borrower or a guarantor ("Signer(s)"). It is not necessary for Lender to exercise its rights and

remedies in respect of the Collateral before collecting from a Signer. Lender may extend the time for payment of any installment, reduce the size of monthly payments, release Collateral, release one or more Signers from their obligations, waive any right Lender might have against any Signer, extend, renew or agree to alter this Agreement, all without releasing other Signers from their obligations under this Agreement or any guaranty agreement. Any delay by Lender in exercising any rights or remedies hereunder or under any other instrument executed and delivered by Borrower to Lender in connection herewith shall not operate as a waiver thereof and no single or partial exercise of any right or remedy shall preclude other or further exercise thereof, or the exercise of any other right or remedy. Lender's acceptance of late or partial payments, or waiver of any default, shall not establish a custom or course of conduct and the waiver by Lender of any default shall not constitute a waiver of any subsequent defaults, but shall be restricted to the default so waived.

Waive Jury. All parties to this Agreement hereby waive the right to any jury trial in any action, proceeding, or counterclaim brought by any party against any other party.

g. Counterparts. This Agreement may be executed in several counterparts and delivered via electronic means, and all such executed counterparts shall constitute one agreement. Borrower confirms that if it has received copies of documents for execution from Lender via any means of electronic delivery (including email), that it has made no changes to such documents and the documents are identical in content to the version dispatched by Lender to Borrower.

This Agreement shall be deemed accepted by Lender in h. Massachusetts, by the Lender's act of funding the loan made under this Agreement.

BORROWER ACKNOWLEDGES HAVING READ ALL THE PROVISIONS OF THIS AIRCRAFT SECURITY AGREEMENT AND BORROWER AGREES TO ITS TERMS.

Aircraft, including all component parts, and that Borrower did not rely upon any statements, oral or written, by Lender, its agents, and/or servants with respect to either the Aircraft or any of its component parts. Borrower agrees that Lender shall not be liable to Borrower for any loss, claim, demand, liability, cost, damage, expense, action or cause of action of any kind, caused, or alleged to be caused, directly or indirectly, by the Aircraft, or by any inadequacy thereof for any purpose, or by any defect therein, or in the use or maintenance thereof, or any loss of business, or profit, or any damage whatsoever and howsoever caused. No defect or unfitness of the Aircraft shall relieve Borrower of the obligation to pay any installment when due or to perform any other obligation under the Note and this Security Agreement.

4. INDEMNITY. Borrower shall indemnify and hold Lender harmless from, any and all claims, actions, suits, proceedings, costs, expenses, damages, and liabilities (including negligence, tort and strict liability) and any and all costs connected therewith (including attorneys' fees and court costs) arising out of, connected with, or resulting from the manufacture, selection, delivery, possession, use, operation of the Aircraft or otherwise.

5. BORROWER'S REPRESENTATION AND WARRANTIES. Borrower hereby declares and warrants to Lender that Borrower is the absolute owner of the Aircraft and holds good and marketable title to the Aircraft, free and clear of all encumbrances except the lien of this Agreement. Borrower is, or concurrent with the completion of the transaction contemplated by the Note and this Agreement will be, the registered owner of the Aircraft pursuant to a proper registration under 49 U.S.C. § 40101, et seq., as amended, and Borrower qualifies in all respects as a citizen of the United States as defined by the Act. Borrower shall defend Lender's rights in the Aircraft against the claims and demands of all other persons. The Aircraft is not and will not be registered under the laws of any foreign country, and Borrower is and will remain a citizen of the United States as defined in 49 U.S.C. § 40101, et seq., as amended.

6. BORROWER'S COVENANTS:

The Borrower hereby covenants and agrees:

(a) To keep and use the Aircraft safely and carefully, and not to assign or dispose of the Aircraft, or any interest therein, or part thereof, or equipment necessary thereto; not to incur any liens against the Aircraft (other than the lien against the Aircraft created by this Agreement), including but not limited to, subordinate or secondary liens, and mechanic's or other liens in connection with the repair, maintenance or storage of the Aircraft; to immediately notify Lender in writing of any legal attachment or other judicial process affecting the Aircraft; not to remove or permit the Aircraft to be removed permanently from its home airport specified in Attachment A to the Note without prior written consent of Lender;

(b) Not to lend, rent, or sublet the Aircraft nor permit it to be operated by any person except a safe, careful and duly qualified pilot holding a pilot's license in good standing whose experience and ratings meet the qualifications specified in the Aircraft insurance policy;

(c) To use the Aircraft only for the purposes and in the manner set forth in the application for insurance executed in connection with the Aircraft, to abide by and conform to all laws, ordinances, orders, rules, and regulations, whether national, state, municipal or otherwise, now existing or hereinafter enacted, controlling or in any way affecting the operation, use, or occupancy of the Aircraft;

(d) Not to use or permit the Aircraft to be used for any purpose forbidden by law or by any pertinent and applicable rule or regulation of any regulatory body having jurisdiction or supervision governing the use of the Aircraft;

(e) At Borrower's expense to maintain and keep the Aircraft and all components thereof in good order and repair, completely air worthy in full compliance with all pertinent regulations or laws, and within a reasonable time replace in or on the Aircraft any and all parts, equipment, instruments or accessories which may, for any reason,

be rendered unsatisfactory or unavailable for use in or on the Aircraft, which replacements shall have a value, utility and quality at least equal to that which the property replaced originally had, and that repairs, substitutions, improvements or equipment added to the Aircraft shall be deemed to become a part of the Aircraft;

(f) Not to make any structural modifications or alterations to the Aircraft without being granted written permission by Lender;

(g) To pay all taxes, fees, assessments and charges imposed upon the ownership, possession or use of the Aircraft by any national, state, municipal or other public authority during the term of the Note and this Agreement, including those for permits, certificates of title and licenses.

7. FAILURE TO MAINTAIN. In the event Borrower fails to preserve and maintain the Aircraft, discharge all liens or other charges as provided herein, or perform any of its obligations hereunder, Lender may do so and the cost thereof, including attorneys' fees and court costs, shall be repayable by Borrower to Lender with the next installment. Failure to repay the same shall carry with it the same consequence, including interest at the greater of the highest legal rate or 18% per annum, as failure to pay any installment when due. Any act or payment by Lender shall not be a waiver of any obligation or default of Borrower.

8. INSURANCE. Borrower shall, at Borrower's own expense, procure and maintain for the full term of the Note and this Agreement, liability, property damage and breach of warranty (or lien holder's endorsement) coverage with an insurance carrier acceptable to Lender in at least an amount equal to the obligation of Borrower under the Note and this Agreement. Lender shall be named as loss payee(s) with respect to Aircraft physical damage and breach of warranty coverage. All insurance coverage shall require thirty (30) days' co-written notification to Lender as a prerequisite to cancellation. Borrower shall deliver to Lender a certificate or certificates of insurance evidencing such coverage. If Borrower shall fail to procure or maintain insurance coverage as specified herein, Lender may procure such coverage and charge Borrower for such expense. Lender and Borrower, recognizing the importance of insurance coverage, expressly stipulate that in addition to all other provisions within this Agreement Lender may, at Lender's option, declare the Note and this Agreement in default and invoke all remedies provided in this Agreement if Borrower fails to maintain insurance as provided herein, fails to reimburse Lender for Lender's payment for insurance, or uses the Aircraft for a purpose, in a manner, or in a location which could reasonably result in denial of insurance coverage in the event of loss or damage to the Aircraft.

9. LOSS, THEFT, OR DAMAGE. Borrower assumes and shall bear all risk of loss, theft, damage or disappearance of the Aircraft from any and every cause whatsoever even if the loss, theft, damage or disappearance occurred without Borrower's negligence or fault. NO LOSS, THEFT, DAMAGE OR DISAPPEARANCE OF THE AIRCRAFT OR ANY PART THEREOF SHALL IMPAIR ANY OBLIGATION OF BORROWER UNDER THIS AGREEMENT. In the event of loss, theft, disappearance or damage of any kind to the Aircraft, Borrower shall immediately notify the Lender in writing, the insurance company and any and all applicable governmental agencies, both federal and state of such event, and shall furnish such information and execute such documents as may be required and desirable to collect the proceeds from any insurance policies. The rights, liabilities and obligations of the Borrower and Lender are:

(a) If the Aircraft is partially damaged, Borrower shall, at Borrower's sole expense, fully repair and place the Aircraft in the same condition as it was prior to the damage. Lender shall reimburse Borrower out of any proceeds of insurance received by Lender covering such damage, this payment to be contingent upon: (i) Borrower furnishing to Lender the necessary information and documents required for the recovery of said insurance proceeds; (ii) Approval by Lender of the repairs made by Borrower, including the cost thereof; and (iii) Aircraft being placed as nearly as possible in the same condition as before said damage occurred.

(b) If the Aircraft is lost, stolen, disappears or is damaged beyond repair, the proceeds of said insurance policy or policies shall be retained by Lender. If the proceeds of insurance are not sufficient to cover the obligations of Borrower arising under this Agreement, then Borrower shall promptly pay any deficiency to Lender. If the

proceeds of insurance are greater than the obligations of Borrower arising under this Agreement, the excess shall be remitted by Lender to Borrower providing Borrower is not in default of any other agreement with Lender.

10. RIGHT OF INSPECTION. Borrower specifically grants unto Lender the right to enter upon any premises where the Aircraft is located for the purpose of inspection and to remove and repossess the Aircraft forthwith, without notice to Borrower, if in the opinion of Lender the Aircraft is being improperly maintained, if Borrower is in default of any payment required hereunder, or if Borrower is in violation of any other term or condition set forth herein. Whenever requested, Borrower shall advise Lender of the exact location of the Aircraft and the time and place of any intended movements of the Aircraft.

11. DEFAULT, LENDER REMEDIES. Borrower shall be in default if Borrower fails to pay any installment or other amount provided in the Note when due, or if Borrower should breach any other provision of the Note or this Agreement or any other agreement with Lender; if Borrower becomes insolvent, makes an assignment for the benefit of creditors, if a receiver or trustee is appointed by or for Borrower with or without Borrower's consent; or if Lender reasonably deems itself insecure. Upon the occurrence of any such event, Lender at its option and in addition to and without prejudice to any other remedies, may declare the Note and this Agreement in default and may terminate the Note and this Agreement and terminate any other agreement or lease between Lender and Borrower, accelerate all payments due or to become due according to the terms of the Note or this Agreement so that they are immediately due and payable, repossess and remove the Aircraft either with or without notice to Borrower (Borrower hereby waiving all damages caused by such taking of possession), and exercise all remedies available to a secured party under the Uniform Commercial Code as adopted in Ohio, including, but not limited to, the rights of peaceful repossession and sale. Lender's repossession of the Aircraft does not terminate this Agreement unless Lender notifies Borrower in writing, but after repossession, Lender shall at Lender's option either (a) Lease the repossessed the Aircraft to a third party upon such reasonable terms and conditions as Lender may deem favorable, or (b) sell the Aircraft, or any part thereof, for the best reasonable price either at public or private sale. The proceeds of such sale or the present worth of the lease, computed with interest at 14% per annum, less Lender's expenses incurred in connection with the repossession and sale or lease, including all reasonable repairs and attorneys' fees, shall be applied first to the sum of all amounts due and owing under the Note and this Agreement up to the time of said lease or sale and second to any other obligations of Borrower to Lender. Borrower shall then pay Lender the deficiency (if any) or Lender shall remit to Borrower the surplus (if any). Lender's rights and remedies are not exclusive but are cumulative and in addition to all other rights and remedies provided by law.

12. LATE CHARGES. If Borrower fails to pay any part of any installment or other amounts provided for in the Note and this Agreement or any Schedule when due, whether by acceleration or otherwise, Borrower shall pay a service charge of \$50.00 plus interest to Lender of eighteen percent (18%) per annum or, if lower, the highest legal rate on such delinquent payment from due date thereof until the date such installment or other payment is received by Lender.

13. LENDER'S EXPENSES. Borrower shall pay Lender all costs and expenses, including attorneys' fees, incurred by Lender in exercising any of its rights or remedies hereunder or enforcing any of the terms, conditions, or provisions hereof.

14. ASSIGNMENT BY LENDER. It is understood by the parties hereto that Lender contemplates assigning this Agreement and the Aircraft and that such assignee may also assign same. All rights of Lender hereunder shall be succeeded to by the assignee under any such agreement, and said assignee's rights under and title to this Agreement, to the sums herein provided for and to the Aircraft shall be free from all defenses, set-offs or counter-claims which Borrower may be entitled to assert against Lender, it being understood and agreed that any such assignee does not assume any obligations of Lender herein named, and that Borrower may separately claim against Lender as to any matters which Borrower may be entitled to assert against Lender.

. 1

15. ASSIGNMENT BY BORROWER. Borrower shall not assign this Agreement, or its rights or obligations hereunder without the prior express written consent of Lender; no such assignment, if granted, shall relieve Borrower from any obligations under this Agreement.

16. STATUS OF BORROWER. Nothing herein shall be construed as making Borrower the agent or representative of Lender, and Borrower, its agents, representatives and employees, shall have no authority whatsoever to obligate Lender in any manner.

17. WAIVER. No covenant or condition of this Agreement can be waived except by the express written consent of Lender. Forbearance or indulgence by Lender in any regard whatsoever shall not constitute a waiver of the covenant or condition to be performed by Borrower to which the same may apply and, until complete performance by Borrower of such covenant or condition, Lender shall be entitled to invoke any remedy available to Lender under this Agreement or by law or in equity despite such forbearance or indulgence.

18. ADDITIONAL DOCUMENTS. If Lender shall so request, Borrower shall execute and deliver to Lender such documents as Lender shall deem necessary or desirable for purposes of recording or filing to protect the interest of Lender in Aircraft.

19. NOTICES. Service of all notices under this Agreement shall be sufficient if delivered personally in writing, or mailed by certified mail, return receipt requested, to the party involved or delivered by courier at its respective address previously set forth, or at such address as such party may provide in writing from time to time. Any such notice mailed or otherwise sent to such address shall be effective when deposited in the United States mail, duly addressed and with postage prepaid or deposited with the courier service.

20. GENDER; NUMBER. Whenever the impersonal pronoun is used herein it shall include both masculine and feminine; the singular shall encompass the plural.

21. TITLES. The titles to the paragraphs of this Agreement are solely for the convenience of the parties, and are not an aid in the interpretation of the instrument.

22. TIME. Time is of the essence of this Agreement and each and all of its provisions.

23. SEPARABILITY. The invalidity of any portion of this Agreement shall not affect the remaining valid portions thereof.

24. ENTIRE AGREEMENT. The Note, Power of Attorney and this Agreement constitute the entire agreement between the parties. No representations, warranties, promises, guarantees, or agreements, oral or written, expressed or implied, have been made by Lender with respect to this Agreement or the Aircraft, except as expressly provided herein.

25. CONTROLLING LAW. This Agreement shall be construed as if entered into in Franklin County, Ohio, even if executed in whole or in part outside of the State of Ohio and/or even if physical possession of the Aircraft is completed outside of the State of Ohio; it being expressly stipulated and agreed among and/or between the parties that to avoid questions regarding controlling law, this Agreement shall be interpreted and construed in accordance with the law of the State of Ohio and the United States. The parties agree that any action or proceeding arising out of or relating to this Agreement may be commenced in any appropriate state court, or in the United States District Court in which Lender's principal place of business is located. Each party agrees that a summons and complaint commencing an action or proceeding in any such Court shall be properly served and shall confer personal jurisdiction if served personally or by certified mail to Borrower's address previously set forth as Borrower may provide in writing from time to time, or as otherwise provided under the laws of the State.

26. WAIVER OF RIGHT TO JURY TRIAL. BORROWER ACKNOWLEDGES THAT, AS TO ANY AND ALL DISPUTES THAT MAY ARISE BETWEEN BORROWER AND LENDER, THE COMMERCIAL NATURE OF THE TRANSACTION OUT OF WHICH THIS AGREEMENT ARISES WOULD MAKE ANY SUCH DISPUTE UNSUITABLE FOR TRIAL BY JURY. ACCORDINGLY, BORROWER HEREBY WAIVES ANY RIGHT TO TRIAL BY JURY AS TO ANY AND ALL DISPUTES THAT MAY ARISE RELATING TO THIS AGREEMENT OR TO ANY OTHER INSTRUMENTS OR DOCUMENTS EXECUTED IN CONNECTION HEREWITH.

27. AMENDMENT. THIS AGREEMENT SHALL NOT BE AMENDED, ALTERED, OR CHANGED EXCEPT BY A WRITTEN AGREEMENT SIGNED BY LENDER AND BORROWER.

28. ENFORCEABILITY. This Agreement shall not become binding upon Lender until it is approved and accepted in the space provided below by Lender.

This FAA Security Agreement is executed this 10^{th} day of November 2009.

7. <u>Ownership and Condition of Aircraft.</u> I am, or concurrent with the transactions contemplated by this Agreement will be, in possession of and the absolute owner of the Aircraft and of the legal and beneficial title to it, free and clear of any liens, charges or other interests on or in the Aircraft, except for the lien created by this Agreement. I acknowledge that you have advised me, and you hereby advise me, to fully satisfy myself regarding the value of and title to the Aircraft before purchasing or otherwise dealing with the Aircraft or entering into this Agreement or the Promissory Note by conducting such title searches and other research as I deem appropriate and by obtaining such legal and other advice and/or title insurance as I deem appropriate, in my sole discretion. I acknowledge and agree that you will not be responsible in any way for any defects in title to the Aircraft, whether or not you have researched the status of title to the Aircraft or shared the results of any such research or your opinions, the opinions of your employees or agents or the opinions of any third parties with me. I promise that the Aircraft properly registered in my name at the FAA at all times.

8. <u>Risk of Loss.</u> I agree that I shall bear the entire risk of loss of the Aircraft and that I will pay you all amounts that I owe under the Promissory Note and this Agreement even if the Aircraft is lost, stolen, damaged, destroyed or seized, or is threatened with any such action. I will promptly notify you if the Aircraft becomes lost, stolen, damaged, destroyed or seized, or is threatened with any such action.

9. <u>Taxes and Other Charges.</u> I will promptly pay all taxes, assessments, license and permit fees, fines, repair, storage and fuel bills, and all other charges, liens, claims and expenses on, asserted against or relating to the Aircraft, the Promissory Note or this Agreement when they are due.

10. Insurance. I will keep the Aircraft fully insured at all times, and at my own expense, against all risks to the Aircraft while in flight and while on the ground, including, without limitation, hull coverage and a breach of warranty endorsement in your favor, in an amount not less than what I owe you under the Promissory Note and this Agreement. I agree that all policies of insurance will name you as a loss payee and shall provide that any cancellation or substantial change in coverage shall not be effective as to you until thirty (30) calendar days after your receipt of a written notice from the insurer of the cancellation or change. I also agree that no policy of insurance shall be subject to any offset by any other insurance carried by you or me. I hereby appoint you as my attorney-in-fact to deal directly with the insurer and to obtain information and documents from the insurer and to make proof of loss and claim for and to receive payment of and to execute or endorse all documents, checks or drafts in connection with all policies of insurance on the Aircraft. You shall have the right, but not an obligation, to require that the policies of insurance include a paid premium endorsement and coverage for war and confiscation risk. I understand and agree that I have the right to purchase insurance from the person, agency or company of my choice or to provide insurance through an existing policy of mine, but that the form, content and coverage (including, without limitation, the amount of any deductible or coinsurance) of all insurance policies on the Aircraft and the insurance companies issuing the policies must be acceptable to you. I will promptly deliver to you a complete copy of all insurance policies on the Aircraft and of all endorsements, amendments and replacements thereto that may be issued from time to time. I agree that all proceeds of any insurance on the Aircraft will be paid to you and that you may either use those proceeds to pay for repairs to the Aircraft, if you determine in your discretion that it is repairable, or you may apply those proceeds to the amounts that I owe that are secured by this Agreement and pay any remaining proceeds to me.

11. <u>Failure to Perform.</u> If I fail to promptly perform any of my obligations under the Promissory Note or this Agreement, then you may (but are not required to) perform them on my behalf, in addition to your other rights and remedies under the Promissory Note and this Agreement. I agree to repay you in full on demand for all amounts that you spend in performing my obligations, plus a **FINANCE CHARGE** on those amounts calculated until payment at the applicable **ANNUAL PERCENTAGE RATE** described in the Promissory Note. I also agree that my obligation to repay any amounts that you spend in performing on my behalf under the Promissory Note or this Agreement, and the **FINANCE CHARGE** on those amounts, will be secured by the security interest granted by this Agreement.

12. Evidence of Title and Transfer or Encumbrance of Aircraft. I agree, upon your demand at any time during the term of this Agreement, to furnish evidence satisfactory to you that the records of the FAA show the Aircraft to be registered in my name and that title is free of all security interests, liens and encumbrances, except for the lien of this Agreement, and agree at my expense to take all steps that may be necessary to cause any other ownership or security interests, liens or encumbrances, if any, to be removed. I further agree that I will not in any way sell, lease, transfer, grant a security interest in, or otherwise dispose of the Aircraft or of any of my rights in the Aircraft, or grant or permit to exist any other liens, charges, encumbrances or interests on or in the Aircraft, without first obtaining your express written consent. In the event that I do so (whether or not I comply with my obligation to obtain your prior consent), I will use the proceeds to immediately pay you all sums that I owe you under the Promissory Note and this Agreement, and

under any other contracts or agreements between us (both present and future), and until I have paid you all such amounts, I will hold all proceeds in trust for you and I will not commingle the proceeds with any other funds that I may have or use the proceeds for any other purpose other than as trustee for you.

13. Default. I understand and agree that the occurrence of any one or more of the following events or conditions will constitute a "default" that will automatically entitle you, at your option, to all of your default rights and remedies against me: (a) I fail to make any payment under the Promissory Note, this Agreement or under any other contract or agreement between us (both present and future) promptly when it is due; (b) I fail to perform on time any of my obligations, agreements or promises under the Promissory Note, this Agreement or under any other contract or agreement between us (both present and future); (c) if I am a corporation, limited liability company, partnership or the like, my legal existence is terminated or expires for any reason; (d) I cease doing business as a going concern, file for dissolution or liquidate substantially all of my assets; (e) I become insolvent or unable to pay my debts as they come due, or file or have filed against me any petition for bankruptcy, reorganization, receivership, assignment for the benefit of creditors, or for any similar action, or seek or have any similar relief sought against me; (f) I allow any material adverse change to occur in my financial condition for any reason; (g) I, or any other person, misuse, abandon or destroy the Aircraft or allow the Aircraft to decrease in value (except for normal wear and tear); (h) the Aircraft is seized, levied upon, attached, subjected to any writ or warrant or comes into the possession of any judicial officer, or is threatened with any such action; (i) any of my guarantors, if any, attempts to terminate its guarantee or does or allows to be done any one or more of the occurrences described in this paragraph as an event or occurrence of default; (j) I attempt to assign or transfer an interest in the Aircraft or in any of my rights under this Agreement to another party without your prior written consent; (k) there is any material impairment of your prospects for receipt of payment of all sums due from me under the Promissory Note or this Agreement or under any other contract or agreement between us (both present and future) or of my ability to perform each and every one of my obligations, agreements or promises under the Promissory Note or this Agreement or under any other contract or agreement between us (both present and future) or there is any material impairment of the value or priority of your security interest granted by this Agreement for any reason; (1) there is any material breach of the representations or warranties that I have made in this Agreement or in the Promissory Note; (m) any competing lien or security interest is created or permitted to continue, or any financing statement, security agreement or lien claim is filed against the Aircraft without your prior written consent, even though the competing security interest, lien claim or financing statement is junior to or filed after yours; (n) I fail to keep the Aircraft adequately insured at all times as required by this Agreement or become delinquent in making premium payments for such insurance; (o) I, or any person exercising control over the Aircraft, fail or refuse to allow you to inspect the Aircraft upon demand at any reasonable time; (p) you, in good faith, believe that there is an impairment of the prospect of my complete and timely performance under the Promissory Note, this Agreement or under any other contract or agreement between us (both present and future), or of your ability to protect your interests under this Agreement by reliance on your rights to recover the Aircraft. I also understand and agree that you will not be required to make a formal declaration that one of the foregoing events or conditions of default has occurred, nor will it be necessary for you to give me oral or written notice of a default before you are entitled to exercise your rights and remedies against me.

14. Acceleration of Payment Obligations on Default. If I am in any way in default under the Promissory Note or under this Agreement or if any event or condition of default as described in Paragraph 13 has occurred, I understand and agree that you shall be automatically entitled, at your option, to take possession of the Aircraft and to the full and immediate payment of all amounts that I owe you under the Promissory Note and this Agreement (less any credit that may be required by applicable law for prepayment). I understand and agree that if an event or condition of default occurs, your rights, available at your option, to take possession of the Aircraft and to receive full and immediate payment of all amounts that I owe you under the Promissory Note and this Agreement are not conditioned upon your giving me any notice of the occurrence of the event or condition of default or upon your making an oral or written demand upon me for immediate possession or payment. Notwithstanding any notice of default or demand that you may choose to give me, I agree that I will have no right to cure any default under the Promissory Note or this Agreement unless you agree in writing to give me that right. All amounts that I owe under the Promissory Note or this Agreement will continue to accrue a **FINANCE CHARGE** at the applicable **ANNUAL PERCENTAGE RATE** described in the Promissory Note until I have paid those amounts in full.

15. Additional Collateral; Cross Security and Cross Default. I agree that if at any time during the term of this Agreement you, in good faith, believe that there is an impairment of the prospect of my complete and timely performance of any of my obligations under the Promissory Note or this Agreement or under any other contract or agreement between us (both present and future), or of your ability to protect your interests under this Agreement by reliance on your rights to recover the Aircraft, I will, at your request, provide such additional collateral as you shall require to provide further security for the performance of all of my obligations under the Promissory Note and this Agreement and under any other contract or agreement between us (both present and future). I will execute all documents and instruments that are required to perfect your security interest in such additional collateral. I also agree that the security interest granted by this Agreement and the security interest in any such additional collateral will secure not only all of my debts and obligations to you under the Promissory Note and this Agreement, but also all of my debts and obligations to you under the Promissory Note and this Agreement, but also all of my debts and obligations to you under any other contracts or agreements between us (both present and the security interest in any such additional collateral will secure not only all of my debts and obligations to you under the Promissory Note and this Agreement, but also all of my debts and obligations to you under any other contracts or agreements between us (both present and future). I understand and agree that I may enter into future financing agreements with you, and it is my specific intent that any debt or other obligation that I owe you under any such future agreement will

also be secured by the security interest granted by this Agreement and by the security interest in any additional collateral obtained pursuant to this paragraph. I understand and agree that you have no duty to enter into any future financing agreements with me or to make any further advances to me whatsoever. I agree that a default under the Promissory Note or under any other contract or agreement between us (both present and future) will be a default under this Agreement. I also agree that a default under this Agreement will be a default under the Promissory Note and under any other contract or agreement between us (both present and future). I understand and agree that the release of your security interest in any aircraft covered by some other contract or agreement between us (both present and future), which aircraft serves as cross collateral to secure my obligations to you under the Promissory Note and this Agreement or under any other contract or agreement between us (both present and future), shall not in any way waive any of your rights under this Agreement to enforce your security interest granted by this Agreement. I also understand and agree that the release of your security interest granted by this Agreement shall not in any way waive your rights to enforce a security interest granted by any other contract or agreement between us (both present and future) in any other contract or agreement between us (both present and and agree that the release of your security interest granted by this Agreement shall not in any way waive your rights to enforce a security interest granted by any other contract or agreement between us (both present and future) in any other aircraft.

16. <u>Repossession of Aircraft.</u> The references to the "Aircraft" in this Paragraph 16 and in Paragraphs 17 and 18 include any other property that secures my performance under the Promissory Note, this Agreement or under any other contract or agreement between us (both present and future). If I am in any way in default under the Promissory Note, this Agreement or under any other contract or agreement between us (both present and future), you may take the Aircraft without demand or notice to me and without my permission (my rights to demand, notice and consent to repossession being hereby expressly waived) and without any court action or order. You may enter my property or any other property to take the Aircraft, so long as you do so lawfully and peacefully, and you may remove the Aircraft to any place you determine, or you may require me to deliver the Aircraft to you at Wichita, Kansas, or at any other reasonable place you name, and I hereby expressly agree to make such delivery at my expense. In repossessing the Aircraft and in holding and disposing of it after repossession, you will have all of the rights and remedies of a secured party under the Uniform Commercial Code then in effect, in addition to your rights and remedies under this Agreement and the Promissory Note. If the Aircraft contains any property not covered by this Agreement at the time of repossession, I agree that you may take such property provided that you make reasonable efforts to return such property to me after repossession.

17. <u>Sale or Disposition of Repossessed Aircraft.</u> If you repossess the Aircraft, you may sell it at a public or private sale for cash or credit at any place within or without the continental United States, even if the Aircraft is not present at the sale. I agree that a commercially reasonable sale includes, without limitation, selling the Aircraft to the highest cash bidder after you solicit sealed bids from ten (10) or more potential aircraft buyers, listing the Aircraft with a broker, and/or selling the Aircraft in "As-Is, Where-Is" condition when repossessed or after making any repairs you deem necessary. A reasonable time before any sale of the Aircraft, you will send me written notice of the date, time and place of a public sale or the date and time after which a private sale will be held. In no event shall written notice five (5) calendar days in advance of any sale be deemed unreasonable. You may bid for and purchase the Aircraft at any public sale, without giving up any of your rights. I hereby acknowledge your right to execute and deliver to any purchaser of the Aircraft at a sale pursuant to this Agreement, all documents and instruments that may be required to transfer title to the Aircraft to the purchaser. If you choose, you may keep the Aircraft instead of selling it and you will send me written notice that you are doing so, in which case I will not have any further obligations to you under this Agreement.

18. <u>Net Sale Proceeds; Deficiency or Surplus.</u> If you sell the repossessed Aircraft, you may subtract from the sale proceeds all of your expenses of repossessing, transporting, storing, preparing and selling the Aircraft, including, without limitation, the cost of any repairs or refurbishing of the Aircraft that you deem advisable in your sole discretion, all sales commissions, auctioneers' fees, advertising costs, attorneys' fees, court costs, payment of any liens or charges against the Aircraft and all other reasonable expenses incurred by you or on your behalf, to arrive at the "Net Sale Proceeds." If I owe you more under the Promissory Note and this Agreement than the Net Sale Proceeds, I will immediately pay you the deficiency. If I owe you less than the Net Sale Proceeds, I will receive the surplus from you. I agree that you may hold any such surplus until payment in due course without accruing any obligation to pay interest thereon.

19. <u>Reimbursement of Expenses.</u> If you incur any expenses to collect a deficiency or any other amounts that I owe you, or to otherwise enforce or defend any of your rights under the Promissory Note or this Agreement or with respect to the Aircraft, I will reimburse you, hold you harmless and indemnify you for those expenses, including, without limitation, your attorneys' fees, court costs and any other expenses that you incur relating to the Aircraft, and such sums may, in your sole discretion, be added to the AMOUNT FINANCED under the Promissory Note and, if so added, shall bear interest at the applicable **ANNUAL PERCENTAGE RATE** described in the Promissory Note until I make full reimbursement to you

20. <u>No Waiver by Estoppel.</u> I agree that it is essential to you that I perform all of my obligations under the Promissory Note and this Agreement completely and on time. You will not waive any of your rights under this Agreement or the Promissory Note by accepting any late or partial payments or performances from me, by accepting any substitute performances or by delaying the enforcement of any of your rights on any occasion. I agree that no purported waiver of your rights against me will be effective unless it is expressly granted in a writing signed by you.

.

21. <u>Assignment of Agreement.</u> I agree that I may not assign or transfer this Agreement, or any of my rights under this Agreement, without first obtaining your written consent, and that any attempted assignment will be void and of no effect. You may assign or transfer this Agreement, or any of your rights under this Agreement, to anyone you choose at any time without my consent. Anyone to whom you assign or transfer this Agreement will have the same rights, immunities and remedies under this Agreement as you have. I will pay all money due under this Agreement to any such assignee without recoupment, setoff or counterclaim, either in law or in equity.

22. <u>Authority, Effect and Benefit of Agreement.</u> If I am a corporation, partnership, limited liability company or the like, I, and the undersigned individual signing on my behalf, represent and warrant that I have full authority to enter into this Agreement and the Promissory Note, and that the execution, delivery and performance hereof and thereof will not violate my charter, articles of organization, by-laws, operating agreement, or similar organizational documents, or any law, regulation or agreement with third parties to which I or my property may be subject, and that all corporate, company or similar organizational action (including, without limitation, director, stockholder, member, management committee, or similar action, if required) has been taken that is necessary or appropriate to make this Agreement and the Promissory Note binding upon me and enforceable in accordance with their respective terms. If I am a trustee, I represent and warrant that I have full authority to enter into this Agreement or similar document or any law, regulation or agreement with third parties to which I or the property I hold in trust may be subject and that all action has been taken that is necessary or appropriate to make this Agreement and the Promissory Note binding upon me and enforceable in accordance with their respective terms. All of the provisions of this Agreement and the Promissory Note binding upon me and enforceable in accordance with their respective terms. All of the provisions of this Agreement will be binding on my heirs, legal representatives and successors, and upon anyone to whom I assign or transfer this Agreement (whether or not I comply with my obligation to obtain your prior consent), and will accrue to the benefit of your legal representatives, successors, and to anyone to whom you assign or transfer this Agreement.

23. <u>Entire Agreement; Modification of Agreement</u>. The Promissory Note and this Agreement and any annexes and attachments referenced therein or herein contain our entire agreement, and no oral agreements or statements will be effective or binding on either of us. We agree that the provisions of the Promissory Note and this Agreement can only be amended or changed by a written document signed by both of us, including, without limitation, signatures affixed pursuant to a valid power of attorney.

24. <u>Notices.</u> Any notice that you send me in connection with this Agreement may be sent either by first class U.S. mail, postage prepaid, or by private or government overnight delivery service or by electronic facsimile transmission either to my address shown on this Agreement, or to any other address of which I have notified you in writing, and will be effective when you send the notice, even if my address has changed. I assume full responsibility for notifying you, in writing, of any change in my address.

25. <u>Cumulative Remedies.</u> You may enforce or pursue any one or more of your rights or remedies under the Promissory Note and this Agreement without giving up any other of your rights or remedies. I will not be released from my obligations to you, even if you have repossessed and sold the Aircraft, until I have paid you all amounts and performed all duties that I owe under the Promissory Note and this Agreement.

26. <u>Responsibility for Use, Operation and Maintenance of Aircraft.</u> I agree that I am solely responsible for the use, operation and maintenance of the Aircraft, regardless of who uses, operates or maintains it. If you are sued or are otherwise required to pay any damages or other amounts to anyone because of death, personal injury or property damage or any other loss of any kind whatsoever, caused by any use, operation or maintenance of the Aircraft, I will reimburse you, hold you harmless and indemnify you for all liability, loss, damage or expense, including, without limitation, your expenses in defending any lawsuit or other proceeding, including reasonable attorneys' fees and court or similar costs.

27. <u>Financing Statements and FAA Documents.</u> You may file copies of the Promissory Note and this Agreement with any public authority you deem appropriate. You are also authorized to file any Uniform Commercial Code financing statements relating to the Aircraft and file a copy of this Agreement as a financing statement with any jurisdiction you deem necessary to protect your interests. At your request, I will sign and furnish any additional documents that are needed to properly perfect your security interest, register the Aircraft or file or record this Agreement and any amendments, extensions, supplements, modifications or replacements hereto. I will also reimburse you for your expenses in connection with preparation or filing of financing statements, registering the Aircraft and filing or recording this Agreement and any amendments, modifications, supplements or replacements to this Agreement.

28. <u>Citizenship.</u> I am a citizen of the United States as defined in 49 U.S.C. § 40102(a)(15), as amended (a "Citizen"), or a lawfully admitted permanent resident of the United States or otherwise qualified to register the Aircraft for operation and navigation within the United States. If I am a corporation (other than a corporation that is a Citizen) and I am required by FAA regulations to submit reports to the FAA regarding the use of the Aircraft within the United States, I agree to send you copies of such reports when I send them to the FAA. If I am not a Citizen, I warrant that I have notified you of that fact in writing just prior to the date of this Agreement. If I am a Citizen on the date of this Agreement, but cease to be at any time during the term of this Agreement, I will immediately notify you in writing.

29. <u>Governing Law.</u> THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF KANSAS, WHERE IT WILL BE DELIVERED, ACCEPTED, EXECUTED AND PERFORMED IN PART BY YOU, IF YOU ACCEPT IT, AND WHERE IT IS PAYABLE.

30. <u>Invalid Provisions.</u> If any provisions of this Agreement are invalid or cannot be enforced for any reason, the remainder of this Agreement will stay in effect. Any provisions of this Agreement that are contrary to applicable law will be considered to be modified to the extent required to conform with the law, if possible, and otherwise omitted from this Agreement. It is not the intention of either of us to charge or pay a **FINANCE CHARGE** in excess of the amount permitted under applicable law. If some court of competent jurisdiction should determine that the **ANNUAL PERCENTAGE RATE** charged exceeds the maximum permitted **ANNUAL PERCENTAGE RATE**, any excess payment shall be applied to the reduction of the unpaid principal balance of the AMOUNT FINANCED or, if the obligation shall have been paid in full, such excess shall be refunded to me

31. <u>Headings and Corrections.</u> The headings in this Agreement are for our convenience only and will not be used to interpret or change the provisions of this Agreement in any way. You may correct patent errors in this Agreement and fill in blanks such as serial and loan numbers, dates and the like.

I further understand, acknowledge and agree that I am not your agent for any purpose whatsoever, including, without limitation, for any purpose relating to the care, maintenance or operation of the Aircraft. I also understand, acknowledge, and agree that this Agreement does not create a partnership, joint venture, corporation, limited liability company, or other association between us.

34. <u>No Legal or Tax Advice</u>.
