LIMITED "7-UP" EDITION**

&

25TH ANNIVERSARY MUSTANG

In 1990 Ford introduced these Deep Emerald Jewel Green 5.0 LX convertibles. This 25th ANNIVERSARY MUSTANG was to be a Limited Edition, sometimes called the "7-UP" CAR. The color and option package originally came from a co-promotion with 7-UP. The 7-UP Bottling Company was to give away 30 of these cars at the 1990 NCCA basketball finals in the USA. In the audience participation contest, anyone sinking a basket from the center court would drive away in one of these cars. Unfortunately, the whole deal fell through and 7-UP never promoted the cars or contest, the reason is still unknown.

All of these Limited Editions started out as LX coupes and were sent to Car & Concepts of Brighton, MI, to have the roofs removed (cut off), so the white convertible top could be installed. As well as the white top, these cars came equipped with a Special Edition Package consisting of Deep Emerald Green metallic paint, color keyed side moldings and mirrors, white leather Mustang GT style seats, white interior trim (dash, door panels, armrests, rear seat), and the Mustang GT 15" turbine wheels. It also came with a Special Equipment Package which included these options; an Automatic Transmission, an upgrade special 3.27 Axel Ratio and an Engine Block Heater.

Ford built only 4,103 of these cars, 2,743 with auto transmissions.

This car has been registered and authenticated by the 1990 LIMITED EDITION MUSTANG REGISTRY.
